Dear Captain Bewry

Re: Contribution to UWJ/St. Vincent & The Grenadines Disaster Relief Fund

The United Way of Jamaica (UWJ) acknowledges with sincere appreciation your organization's donor designated contribution of **\$150,000.00** towards the UWJ/St. Vincent & The Grenadines Disaster Relief Fund.

The UWJ remains committed to its mission: ***"to mobilize resources to transform lives throughout Jamaica."*** Being a positive and powerful force geared toward bringing about a better life for those less fortunate, is extremely important to the United Way and our success is assured primarily because of the generosity of our donors.

Recognition of the support you have provided will be given at our 2022 annual Nation Builders' Awards Function. All contributions to the United Way are also tax deductible under the Income Tax Laws of Jamaica.

Please see attached receipt # 35469 and the press release for your records. Your support is indeed valuable, and we thank you again for caring and sharing the "United Way".

Kind Regards

Althea Bennett
Manager, Campaign & Communications
