

PROFILE ON CARLOS ANTHONY PIPHER, CPP, PCI, PSP

Carlos Anthony Pipher joined ASIS International on July 5, 2017 and during this time he has not stopped giving with 2020 being probably his most productive year. Of the eleven (11) monthly chapter meetings, he attended nine (9) and tendered apologies for the March and August meetings.

In addition to being our Chapter Secretary he is the Newsletter Editor for "The Informer" and responsible for the publication of the chapter's highly regarded newsletter in April, August and November. He has also penned a number of articles on security related issues in our local newspapers.

Carlos is a member of the ASIS Cannabis Security Community and in October had suggested that a guideline be developed to ensure best practice for Cannabis Security which resulted in a document being produced. Stemming out of his initiative ASIS International is planning to create an Industry Standard from said the document

Carlos can also be relied on to support ASIS activities and among the various events that he supported last year was the joint ASIS/Jamaica Association of Private Pharmacy Owners (JAPPO) Security Webinar, the Chapter Leaders Open Houses and the "Meet a Chapter Member" social media campaign. Had it not been for the fact that he was specially invited to sit on the CPP Review Panel in 2019 he would have lectured on the chapter's PSP Study Course.

In response to the chapter's "Each One Bring One" recruitment drive, he was responsible for recruiting Desmond Pringle who joined ASIS International in January 2021 and has been pivotal in ensuring that the chapter retained 82% of its members in 2020. Being one of the leading lights in the chapter, Carlos has always sought to mentor our newly joined members and among his charges are Clive Harris and David Lloyd who he has been encouraging to register on the next PSP Study Course.

What, however, must be considered a high-point of his many achievements was becoming the Jamaica Chapter's 8th Triple Certificant which was made possible on December 28, 2020 when he passed the PCI exam which a score of 694. Given his outstanding leadership traits and exemplary service to his various portfolio responsibilities it was not surprising that Carlos was elected to the post of Vice Chairman on November 25, 2020 and nominated for the 2020 Chapter Member of the Year Award.
