

A 67-Year Commitment to Excellence

ASIS is the leading association in advancing security worldwide, promoting excellence and leadership within the profession and is deeply committed to advancing and reinvesting in the industry. ASIS remains dedicated to expanding and enriching knowledge sharing, best practices and peer-to-peer connections so security professionals across disciplines—and at all stages of their careers—can easily access the information and resources they need to succeed. ASIS also manages the world's leading security trade conference and expo, Global Security Exchange (GSX), which unites the full spectrum of the industry: cyber, operational and physical professionals from private and public sectors.
